MARRIOTT INTERNATIONAL, INC.)	CLASS ACTION
)	JURY DEMANDED
Defendant.)	

CLASS ACTION COMPLAINT

Frederick Brill (“Brill”) (“Plaintiff”), by his attorneys, The Consumer Advocacy Center, P.C., states as follows for his Class Action Complaint against Marriott International, Inc. (“Defendant”).

The Parties

1. Brill is an Illinois citizen and resides in this district.
2. Defendant is a Delaware corporation with its principal place of business in Bethesda, MD, which conducts substantial business in this district.

Jurisdiction and Venue

3. This Court has federal question jurisdiction pursuant to 28 U.S.C. § 1331, because this action is brought pursuant to the Electronic Funds Transfer Act, 15 U.S.C. § 1693 *et seq.* (“EFTA”) and Regulation E, 12 C.F.R. § 205.1 *et seq.*
4. Venue is proper in this district pursuant to 28 U.S.C. § 1391(b) because the transactions at issue occurred in this district, Plaintiff resides in this district and Defendant conducts substantial business in this district.

Statutory/Regulatory Authority

EFTA

5. The Electronic Funds Transfer Act, 15 U.S.C. § 1693 *et seq.* (“EFTA”), and its implementing Regulation E, 12 C.F.R. § 205.1 *et seq.*, require an automated teller machine (“ATM”) operator to provide notice to consumers that the operator will impose a fee on consumers for conducting a transaction at an ATM and the amount of such a fee.

6. Specifically, 15 U.S.C. § 1693b(d)(3) and 12 C.F.R. § 205.16(c) require that an ATM operator disclose (a) on the ATM, that a fee will be imposed (“Posted Fee Notice”) and (b) on the ATM screen, that a fee will be imposed and the amount of such a fee.

7. The EFTA, 15 U.S.C. § 1693b(d)(3)(C), and Regulation E, 12 C.F.R. § 205.16(e), prohibit the imposition of a fee for using an ATM if the foregoing notice requirements are not met.

Facts

8. On December 4, 2008, Brill used automated teller machine (“ATM”) number LK458608 (“ATM at Issue”), located at the Marriott Lincolnshire at Ten Marriott Drive, Lincolnshire, IL 60069.

9. On December 4, 2008, Brill was charged \$2.50 to withdraw money from the ATM at Issue.

10. On December 4, 2008, at the time Brill used the ATM at Issue, there was no Posted Fee Notice posted on or near the ATM at Issue that disclosed that users would be charged any fee for using the ATM at Issue.

COUNT I
VIOLATION OF EFTA AND REGULATION E

11. Plaintiff incorporate herein by reference paragraphs 1-10 as if set forth fully in this Count.

12. Plaintiff brings this Count on behalf of himself and a Class of all persons who were charged a transaction fee for the use of automated teller machine number LK458608, located at the Marriott Lincolnshire at Ten Marriott Drive, Lincolnshire, IL 60069.

13. On information and belief, the putative class consists of hundreds of persons and is so numerous that joinder of all putative class members, whether otherwise required or permitted, is impracticable. The actual number of putative class members is in the exclusive control of Defendant.

14. Questions of law and fact common to the Class predominate over any questions affecting only individual putative class members, including:

- (a) Whether, pursuant to 15 U.S.C. § 1693b(d)(3)(A) and 12 C.F.R. § 205.16, Defendant was an ATM operator at all relevant times during that class period that imposed a fee on consumers for providing host transfer services to those consumers; and
- (b) Whether, at all relevant times during the class period, Defendant failed to comply with the notice requirements of 15 U.S.C. § 1693b(d)(3) and 12 C.F.R. § 205.16(c).

15. Plaintiff's claims are typical of the claims of the putative class members, including:

- (a) Plaintiff and all putative class members used an ATM operated by Defendant;
- (b) Defendant failed to provide notice compliant with 15 U.S.C. § 1693b(d)(3) and 12 C.F.R. § 205.16(c) to Plaintiff and all putative class members; and

- (c) Defendant illegally imposed a fee on Plaintiff and all putative class members for their respective use of the ATM at Issue.

16. Plaintiff will fairly and adequately protect the interests of the Class and Plaintiff have hired counsel able and experienced in class action litigation.

17. Questions of law or fact common to the putative class predominate over any questions affecting only individual putative class members, and a class action is superior to other available methods for the full and efficient adjudication of the controversy.

18. This Court and the parties would enjoy economies in litigating common issues on a class-wide basis instead of a repetitive individual basis.

19. The size of each putative class member's actual damages is too small to make individual litigation an economically viable option.

20. No unusual difficulties will likely occur in the management of the Class as all questions of law or fact to be litigated at the liability stage are common to the putative class and all compensatory relief is concomitant with a liability finding and can be calculated by automated and objective means.

21. Pursuant to 15 U.S.C. § 1693b(d)(3)(D)(i) and 12 C.F.R. § 205.16(a), Defendant was an ATM operator at all times relevant to this action.

22. Defendant was the ATM operator of the ATM at Issue at all times relevant to this action.

23. Defendant failed to comply with the notice requirements of 15 U.S.C. § 1693b(d)(3) and 12 C.F.R. § 205.16(c) when providing ATM services to Plaintiff and all putative class members.

24. Pursuant to 15 U.S.C. § 1693b(d)(3)(C) and 12 C.F.R. § 205.16(e), Defendant therefore illegally imposed a fee on Plaintiff and all putative class members for their respective use of the ATM at Issue.

WHEREFORE, Plaintiff, individually and on behalf of the putative class, requests that this Court enter judgment in his favor and against Marriott International, Inc. and award the following:

- A. Actual and statutory damages as set forth in the EFTA and Regulation E;
- B. Attorneys' fees and costs of suit; and
- C. Such other relief as this Court deems proper.
